From Fiumicino, « Leonardo da Vinci » Airport : follow the signs for the train station; get on the metropolitan train heading to Fara Sabina/Orte (NOT the Leonardo Express), get off at « Roma Trastevere » (7 stops, about 40 minutes). Once out of the station, you can either take a taxi at the taxi station there or catch the 871 bus and get off at the stop named « Carini Bonnet » (pay attention : this bus does not run on sundays). The whole trip takes about 50 minutes. Info and tickets for the train on Trenitalia website.

Once in Termini, catch the 75 bus heading to «Poerio/Marino» and get off at the «Carini Pilo» stop (the whole trip takes about 1hr 15). Info on the shuttle bus can be found on Terravision website

By Train : in front of Termini Train Station, catch the 75 bus heading to «Poerio/Marino» and get off at the «Carini Pilo» (the ride takes around 45 min).
